Amazon Papyrus Chemicals Ltd announces purchase of the assets of Specialty Chem Solutions Co Ltd. (SCS), in Thailand.

15/12/2014 News release

With effect from 1st January 2015, Amazon Papyrus Chemicals will take over the assets and operating business of Speciality Chem Solutions Co Ltd, Thailand.

Amazon Papyrus and Speciality Chem Solutions provide chemicals and service to the Thai pulp and paper industry; both companies operate with similar philosophies and service modules. The expanded Thai company will field the largest service team in the market and is further supported by Amazon's larger regional team and its international team of application specialists.

Amazon Papyrus Chemicals Ltd is a leading supplier of chemical technologies to the Asian pulp and paper industries. With nearly 400 sales, service engineers and technicians in the field, we provide application support, chemicals and expertise to enhance the value of our customers operations. Founded in 2000, Amazon Papyrus celebrates its 15th anniversary in 2015.
